Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Schedule F of your report discloses coordinated expenditures made on behalf of a presidential candidate(s). Please be advised that your committee must be authorized to make such expenditures by the national committee of your political party. If your committee has been designated to make such expenditures, please provide the name of the designating committee. If your committee has not been designated to make coordinated expenditures, they must be considered as in-kind contributions to the candidate(s) and be subject to the limitations of 2 U.S.C. §441a. Please amend your report with clarifying information. 2 U.S.C. §441a(d)
2. The coordinated expenditure schedule (Schedule F) should disclose the following information: the identification of the designating committee, the payee's name and address, the purpose of the expenditure, the identification of the candidate supported, the office sought, state and district (if applicable), the date and amount of the payment and the aggregate general election expenditure total for each candidate supported. Please amend Schedule F by providing the candidate supported, the office sought, state and district. 2 U.S.C. §441a(d)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the

due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
